

Lesson 18

Reading: Isa 59-62

1. What do we learn about the source of the problem when God 'isn't listening'?
2. 59:1-13 is often used to support the doctrine of 'total depravity'. What linguistic detail in this section denies this?
3. What new testament concepts does 59:17,18 confirm? what might not fit most people's assumptions?
4. How might chapter 60 be literal, and how might it be figurative?
5. What elements of the new testament are prophesied in 61?
6. What are the three main elements of Isa 62:1,2 and what might be their specific fulfillments (in Acts)?
7. What description of the church seems difficult to believe sometimes?
