

Waukesha Church of Christ

introduces

Summer Literacy Program

KickStart is a comprehensive 4 day reading program with several goals:

Short Term: To improve reading through proven tools. Even in a few days, children's reading times and comprehension will show visible improvement.

Long Term: To develop excitement in reading that will motivate them beyond the program. The program develops self-confidence and self-worth by developing relationships that continue throughout the year.

Structure

Each 'little buddy' (kindergarten-3rd grade) is assigned a 'big buddy' (7th Grade-College).

In the morning, they attend a reading class, guided by licensed educators, and then spend time practicing reading and working on sight-words.

After lunch, they participate in games, crafts, songs and skits. Each day concludes with awards for those who demonstrate exceptionalism in any area, such as reading improvement, character building, etc.

We have a general limit of about 20-25 students so those who register first are accepted. We will contact families to confirm.

Important Times and Dates:

Jun 29 - Registration closes

Jul 12 -Assessment and Orientation

Aug 4-7, 2025 Kickstart program
